

Year 6

This Topic is called The Mayans.
We will be exploring a range of subjects through this topic with a major focus on history.

DT

- We will be combining our DT and computing skills to learn how to programme our own microbits to use them as step counters.

Science

Learning about plants and living things.

Maths

We will be recapping our learning from the Autumn term as well as developing our understanding of shape, space and measure in a range of different contexts.

Writing

- We will write explanation texts about mythical creatures and surviving on our own invented islands.
- We will write a narrative based around our class text.

The Mayans

RE

We will be developing our understanding of both the Hindu and Christian faiths.

Reading

We are reading Wolf Wilder and developing our comprehension skills.

Computing

We will be learning how to create 3D images using Tinkercad and then having our designs printed. We will also be building on our understanding of internet safety.

PSHE

We will be developing our understanding of how to stay safe online as well as what is and is not appropriate to share with others.
