

Maths

We will be applying our knowledge of calculations to solve more complex reasoning and problem solving questions.

Writing

We will be editing our independent pieces of writing to include the new skills which have been learned.

Reading

We will be reading the book 'Pig Heart Boy' and continuing to improve our accuracy in answering comprehension questions.

Science

Animals including humans

We will be learning about the human circulatory system, recognising the impact of diet and exercise and lifestyle on our bodies and describing how nutrients and water are transported in animals.

RE

For Christians, what kind of king is Jesus?

Geography

The United Kingdom

We will be extending our existing knowledge of the United Kingdom and exploring different aspects in more detail.

Blood Heart

Spanish

We will be continuing to develop our confidence conversing in Spanish about topics which are personal to us including where we live and how we are feeling.

PSHE

Through our Jigsaw unit (Relationships), we will be learning how to make positive, healthy relationships and how to resolve problems within relationships.

We will also be continuing our roles as 'Reliability Ambassadors' to support other members of our school community at break times and lunch times.

PE

We will be completing our Sports Leaders course and refining our athletics skills.

Music

We will be learning the key songs in preparation for our performance of 'Matilda the Musical' which we will be performing on a professional stage at the end of the year.
