

Literacy

We will be learning the story of Romulus and Remus, innovating it and writing our own version.

We will be writing an instruction text based on making a catapult.

We will be exploring the poem 'I am Warrior' and writing our own version.

Computing

We will be learning to create programs by planning, modifying and testing commands to create shapes and patterns and creating a Christmas themed game.

Music

Our learning will be focussed around exploring and developing playing skills using the glockenspiel.

Guided reading

We will be reading the book, The Thieves of Ostia, and deepening our understanding of the story by answering questions using VIPERS.

Science

Electricity

We will be identifying common electrical appliances, constructing a simple series circuit, labelling the parts of a circuit, understanding the use of a switch in a circuit and recognising some good conductors and insulators.

I am Warrior!

Religious Education

We will explore what Hindus think God is like by looking at Hindu symbols, their main beliefs and learning the story of Rama and Sita.

PE

We will be working on our balance, coordination, confidence and perseverance through a range of activities. We will be doing tag rugby with the Cornish Pirates.

Maths

We will be learning to add and subtract 4 digit numbers up to 10,000 and learning the 3, 6 and 9 times tables and the relationship between them.

Spanish

We will be learning about 'Mia Familia'

PSHE

We will be understanding that everyone is different and explaining why it is good to accept people for what they are in our Jigsaw unit – Celebrating Differences.

DT

We will be learning about the uses of a catapult, planning a design, building a prototype and evaluating the design.
