

Year 4

Summer 2

Literacy

We will be writing a myth and legend story and writing a recount of our time in Year 4.

Maths

We will be learning about how to plot coordinates, symmetry in 2D shapes and time.

Science

Sound

We will be learning how sounds are made, how we hear them, finding patterns between the pitch and the object that produces it and the volume of sound and the strength of vibrations.

[How are sounds made? – KS2 Science curriculum - BBC Bitesize](#)

PE

We will be doing athletics and playing cricket rounders.

History

Vikings

We will be considering whether the Vikings deserve their bad reputation, identifying how recent excavations have changed how people view Vikings, looking at Viking place names and what they tell us and considering how Vikings should be remembered.

[Vikings - KS2 History - BBC Bitesize](#)

Religious Education

We will be exploring how and why people in Cornwall mark significant events in family life such as Obby Oss and Flora Day.

Guided Reading

We will be reading Erik the Viking and deepening our understanding of the story by answering questions using VIPERS.

Music

We will be reflecting, rewinding and replaying music by revisiting our favourite songs from the year as well as learning new classical pieces.

PSHE

We will be looking at how unique we are and how to cope with physical and emotional changes as we get older through our unit 'Growing and Changing'.

DT

We will be learning what embroidery is, creating a design for a Viking purse, embroidering the design and evaluating our work.
